Gauge in stockinette stitch with needle 4mm (US 6):

20 sts and 34 rows = 10 x 10 cm (4")

Stitch counter x 2.0

Row counter x 3.4

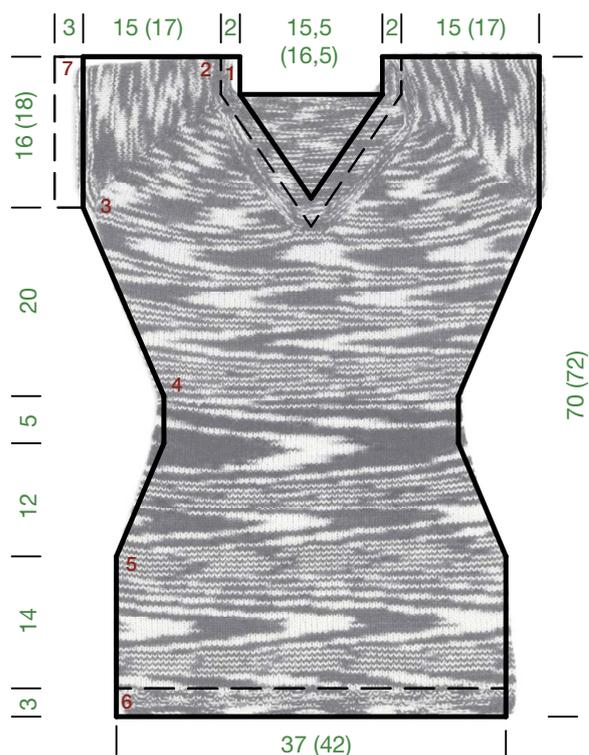

Note: Start knitting with the first ball, taking the yarn from the center of the ball. Knit the second ball from the outside. This creates a beautiful gradient effect.

Instructions: The tunic "Move" is knitted top-down.

1. With the 80 cm (32") circular needle CO 117 (129) sts. Knit the neckline in rds in reverse st st. After 2 cm (¾") = 5 rows in reverse st st, divide the sts as follows:

2. Mark the first st, then count 17 (19) sts for the left arm, mark the next st, 31 (33) sts for the back, mark the next st, 17 (19) sts for the right arm, mark the next st, 48 (54) sts for the front = 117 (129) sts. Continue in rows as follows: Row 1 = RS row, knit the first marked st in reverse st st, the 17 (19) sts of the arm in st st, the marked st in reverse st st, the 31 (33) sts of the back in st st, the marked st in reverse st st, the 17 (19) sts of the second arm in st st, the marked st in reverse st st, w&t. Row 2 = WS row, knit all sts as they appear till the last st, w&t. In row 3 and all following uneven rows, M1 before and after the marked sts to create the raglan shaping = 8 sts increased in every row. Work the last st as w&t. In every 2nd row (RS) work the increases before and after the marked sts 24 times (27 times) = after row 50 (56): 309 (345) sts on the needle.

3. Now knit 1 rd in pattern over all sts. At the same time, put the 65 (73) sts of each sleeve on hold and knit the 2 purl sts before and after the armholes together and mark them = 177 (197) sts. Knit the 79 (87) sts of the back and the 96 (108) sts of the front in st in rds, knit the 2 marked sts in st st as well. For the waist shaping in the 4th rd decrease 1 st before and after the marked st by working ssk before the marked sts and k2tog after the marked sts = 4 sts decreased in rd. Decrease 1 st before and after the marked st in every 4th rd 16 more times = 109 (129) sts.

Stitch counter x 2.0

Row counter x 3.4

4. Continue knitting for 5 cm (2") without decreasing.

Then increase 1 st before and after the marked sts by working M1 = 4 sts increased in rd. Increase 1 st before and after the marked sts in every 4th rd 9 more times = 149 (169) sts.

5. Continue work without any more increases.
